Dear Mr Black

Request for consent to change name of Stirling Citizens for Sanctuary (SC046404)

I am writing to let you know our decision about your request of 19 October 2017 to change the name of the above SCIO. We have made this decision under section 11 of the Charities and Trustee Investment (Scotland) Act 2005 (the 2005 Act).

I can now confirm that the Office of the Scottish Charity Regulator (OSCR) **gives consent** to your proposed change of name to Forth Valley Welcome. The name change must be exactly as outlined in your application of 19 October 2017.

You must ensure that the change is made in accordance with the powers, procedure or legislation which permits the change and, if necessary, obtain consent from any other regulators or third party. Failure to follow the necessary steps may mean that the change is of no legal effect.

What you should do next

We would strongly recommend that the charity gives effect to the change of name as soon as possible. This is important since our consent has considered whether there is another body in the Scottish Charity Register with a name which is the same as, or like, Forth Valley Welcome, and this may change.

1. Notify OSCR within three months of the date of change. The name of the SCIO will not be amended in the Register until we receive this notification.
